Human Services Centers to Support the Independence of Specific Populations

Supportive Living, Inc.

Current

CEO/Executive Director: Mr. Peter J. Noonan

Board Chair: Mrs Carrol Stephens Supportive Living, Inc.

Mission Statement: Supportive Living, Inc. raises the quality of life for survivors of brain injury by providing specialized residences, community-based wellness programs and stimulating applied research into wellness program effectiveness. A non-profit charity established in 1991, SLI develops appropriate and affordable housing; creates, implements and operates life-long physical and emotional wellness programs; and conducts and coordinates research aimed at raising the quality of lives of those affected with brain injury.

Needs Statement: Funds are needed to support residential, Total Health and research programs for brain injury survivors. Please visit www.supportivelivinginc.org for more information.

Impact Statement: Proud Accomplishments:

- Offering music therapy programs at all of our facilities.
- Expanding therapeutic horticulture activities, using raised beds to accommodate people in wheelchairs.
- Increasing the number of people served in fitness programs staffed by trainers who specialize in working with people with disabilities using specially adapted exercise equipment for those with mobility, strength and balance issues.
- Inviting community members to join enriching programs such as yoga and meditation to provide opportunities for socializing and friendship for all participants.
- Expansion of our Brain Injury Wellness Center -We are now serving clients at two locations - Lexington and Wenham.
- We are currently conducting nine research projects on a variety of topics related to the effectiveness of long-term fitness programs for brain injury.
- Significant expansion of our Internship programs - affording area students the opportunity to gain first hand experience and knowledge.
