Dear Applicant:

Based on information supplied and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in sections 509(a)(1) and 170(b)(1)(A)(iii).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise employment, or other federal taxes, please let us know.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

Donors may deduct contributions to you as provided in section 170 of the
BOSTON MEDICAL CENTER CORPORATION

Code. Requests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. See Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, which sets forth guidelines regarding the deductibility, as charitable contributions, of payments made by taxpayers for admission to or other participation in fundraising activities for charity.

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If Yes is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than $25,000. However, if you receive a Form 990 package in the mail, please file the return even if you do not exceed the gross receipts test. If you are not required to file, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally $25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of $10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed $5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

In accordance with section 508(a) of the Code, the effective date of this determination letter is May 9, 1996.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are expended only for those purposes. If you distribute funds to other organizations, your
records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), there should be evidence that the funds will remain dedicated to the required purposes and that they will be used for those purposes by the recipient.

If distributions are made to individuals, case histories regarding the recipients should be kept showing names, addresses, purposes of awards, manner of selection, relationship (if any) to members, officers, trustees or donors of funds to you, so that any and all distributions made to individuals can be substantiated upon request by the Internal Revenue Service. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

Evidence submitted with your application indicates that you may engage in lobbying activities. Section 501(c)(3) of the Code specifically prohibits lobbying as a substantial part of your activities. If you do not wish to be subject to the test of substantiality under section 501(c)(3), you may elect to be covered under the provisions of 501(h) of the Code by filing Form 5768, Election/Revocation of Election by an Eligible Section 501(c)(3) Organization to Make Expenditures to Influence Legislation. This section establishes ceilings amounts for lobbying expenditures.

Since you have not indicated that you intend to finance your activities with the proceeds of tax exempt bond financing, in this letter, we have not determined the effect of such financing on your tax exempt status.

If we have indicated in the heading of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

We have sent a copy of this letter to your representative as indicated in your power of attorney.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Herbert J. Huff

Dear Taxpayer,

A review of our records indicates that the Massachusetts sales/use tax exemption for BOSTON MEDICAL CENTER GROUP C/O NINA J ROSEN, a tax-exempt 501(c) (3) organization, will expire on 06/26/06.

The Department of Revenue is issuing this notice in lieu of a new Form ST-2, "Certificate of Exemption". The notice verifies that the Massachusetts Department of Revenue has renewed the sales/use tax exemption for BOSTON MEDICAL CENTER GROUP C/O NINA J ROSEN subject to the conditions stated in Massachusetts General Laws, Chapter 64H, sections 6(d) or (e), as applicable.

The organization remains responsible for maintaining its exempt status and for reporting any loss or change of its status to the Department of Revenue. Absent the Department of Revenue's receipt of information from the taxpayer by the expiration date of the current certificate that the entity no longer holds exempt status under the above provisions, the taxpayer's certificate is renewed. This renewal will expire on 06/26/16.

The taxpayer's existing Form ST-2, in combination with this renewal notice may be presented as evidence of the entity's continuing exempt status. Provided that this requirement is met, all purchases of tangible personal property by the taxpayer are exempt from sales/use taxation under Chapter 64H or I respectively, to the extent that such property is used in the conduct of the purchaser's business.

Any abuse or misuse of this notice by any tax-exempt organization or any unauthorized use by any individual constitutes a serious violation and will lead to revocation. Willful misuse of this notice is subject to criminal sanctions of up to one year in prison and $10,000 in fines ($50,000 for corporations).

This notice may be reproduced.

Sincerely,

Alan LeBovidge
Commissioner of Revenue
