Report on the Financial Statements

We have audited the accompanying financial statements of Third Sector New England, Inc. ("TSNE"), which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of TSNE as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* and Schedule of Activities for Fiscal Sponsorship Programs and Services, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2014 on our consideration of TSNE's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering TSNE's internal control over financial reporting and compliance.

Notes to Financial Statements

Note 1 - Nature of Operations and Summary of Significant Accounting Policies

Third Sector New England, Inc. (“TSNE”) is a nonprofit corporation, which offers programs and provides services for nonprofit organizations, foundations and other capacity builders involved in community activities. TSNE’s mission is to provide information and services to build the knowledge, power and effectiveness of nonprofit organizations that engage people in community and public life and to promote wider recognition of community-based organizations as the primary stewards of societal values. Operations include the NonProfit Center, fiscal sponsorship, consulting services and grant making programs. TSNE’s Fiscal Sponsorship program forms partnerships with community coalitions and grassroots organizations whose purposes are consistent with TSNE’s mission. These partnerships combine TSNE’s financial management and administrative expertise with the subject-matter knowledge of the community partner in furtherance of the mutual purposes.

The geographic area covered by TSNE is national with operations in 20 states. Primary operations are located in Massachusetts, with its main office in Boston. The Executive Director’s Guide is marketed to nonprofit agencies and leaders throughout the country.

The TSNE NonProfit Center is the first mission-based, multi-tenant center in Massachusetts created in 2004 exclusively to provide stable rents and collaborative opportunities for progressive social change organizations. Nonprofit organizations whose missions are aligned with that of TSNE are sought as tenants. The NonProfit Center provides programs, such as training and organizational development, to the tenants.

The cost of the property was apportioned between building and land in proportion to the assessment issued by the City of Boston. The property is exempt from property taxes, except to the extent that some taxes will be due for portions of the property rented to tenants who are not nonprofit organizations and who were occupying space in the building at the time of the purchase. These tenants may be replaced by eligible nonprofit organizations as their leases expire.

A summary of significant accounting policies follows:

Financial Statement Preparation

The accompanying financial statements are presented on the accrual basis of accounting and have been prepared to focus on TSNE as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

THIRD SECTOR NEW ENGLAND, INC.

Notes to Financial Statements

Note 1 - Nature of Operations and Summary of Significant Accounting Policies (Continued)

Financial Statement Preparation (Continued)

- *Unrestricted net assets* represent the portion of net assets that is neither permanently restricted nor temporarily restricted by donor-imposed stipulations.
- *Temporarily restricted net assets* represent contributions and other inflows of assets whose use is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of TSNE pursuant to those stipulations. The majority of temporarily restricted net assets relate to Fiscal Sponsorship programs. Revenues resulting from the operation of each program by agreement are restricted to that program's use and cannot be redirected to other programs. All other TSNE temporarily restricted net assets are restricted by time and/or purpose.
- *Permanently restricted net assets* represent contributions and other inflows of assets whose use is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of TSNE. No permanently restricted net assets exist at June 30, 2014 and 2013.

Operations

The statements of activities include both operating and nonoperating activities. Revenues and expenses incurred in conducting the programs and services of TSNE are presented in the financial statements as operating activities. Investment income and realized and unrealized gains and losses on investments are presented in the financial statements as nonoperating activities.

Cash and Cash Equivalents

TSNE maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. TSNE monitors its exposure associated with cash and cash equivalents and has not experienced any losses in such accounts. TSNE considers all highly liquid investments with an original maturity of ninety days or less to be cash equivalents. Cash equivalents transferred to investment managers are considered part of investments.

Included in cash and cash equivalents is \$9,114,679 and \$7,550,410 for the years ended June 30, 2014 and 2013, respectively, related to funds held for fiscally sponsored programs.

Assets Limited as to Use

Assets whose use is limited consist of assets held by banks as collateral for TSNE's microloan funds (see Note 2).

Notes to Financial Statements

Note 1 - Nature of Operations and Summary of Significant Accounting Policies (Continued)

Accounts Receivable and Notes Receivable

Accounts receivable are carried at original invoice amount less an estimate made for doubtful accounts based on a monthly review of all outstanding amounts. Management determines potential allowance for doubtful accounts by identifying troubled accounts and by using historical experience applied to an aging of accounts. Accounts receivable are written off when deemed uncollectible. Recoveries previously written off are recorded when received.

An account receivable is considered to be past due if any portion of the receivable balance is outstanding for more than 90 days.

Royalty Income

TSNE owns certain intellectual property rights that it licensed to a pharmaceutical company. The royalty income resulting from this licensing agreement is shared among individual inventors, the Commonwealth of Massachusetts and TSNE.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation of property and equipment is provided by the straight-line method over the following estimated useful lives:

Building	40 years
Building improvements	10 - 40 years
Furnishings and equipment	3 - 5 years
Software	5 years

Expenditures for major renewals and improvements are capitalized, while expenditures for maintenance and repairs are expensed as incurred.

Deferred Bond Issuance Costs

TSNE incurred certain costs related to the issuance of debt, which have been classified as deferred bond issuance costs and are being amortized on the straight-line basis over the term of the bonds.

Notes to Financial Statements

Note 1 - Nature of Operations and Summary of Significant Accounting Policies (Continued)

Revenue Recognition and Deferred Revenue

TSNE administers community projects under contracts and grants with the United States Government and other non-governmental organizations. Amounts paid under these contracts and grants are subject to review and adjustment after performance. In addition, TSNE administers projects with various organizations under individual agreements. Revenue earned under consulting agreements is recorded as earned as the services are performed and billed based on the terms of the contracts. Conference revenue is recognized when the conference occurs. Royalty income is recognized when earned.

Funds received in excess of amounts expended or before revenue is recognized are classified as deferred revenue. Unbilled receivables represent expenditures in excess of amounts billed under contracts, grants and special funds.

Grants and Contributions

Grants and contributions, including unconditional promises to give, are recognized as revenues in the period verifiably committed. Contributions of assets other than cash are recorded at fair value at the original date of recognition using fair value methods as later described in these notes. Conditional contributions and intentions to give are recorded as revenue when the conditions have been met. Contributions are reflected as unrestricted, temporarily restricted or permanently restricted based on the existence or absence of donor restrictions. Amounts received with donor-imposed restrictions that are recorded as temporarily restricted revenues are reclassified to unrestricted net assets when the time or purpose restriction has been satisfied.

Grants and contributions to be received after one year are initially recorded at fair value based on the present value using a risk adjusted discount rate taking into account expected collections. At June 30, 2014 and 2013, grants and contributions to be received between one and five years totaled \$1,573,909 and \$236,000, respectively.

Management revises its estimates of the allowance for doubtful accounts based on history of collections and knowledge acquired about specific facts relating to outstanding items while the initial discount rate is used over the life of the related pledge. The initially recorded fair value is considered a Level 2 fair value approach. Adjustments to the allowance are charged to bad debt expense. Uncollectible accounts are written off against the allowance. An account is considered uncollectible when all collection efforts have been exhausted.

Grants and contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of the unrestricted net assets class. Grants and contributions received for which donor-imposed restrictions will be met in future periods are recorded as temporarily restricted and are released from restrictions as conditions are met.

Included in expenses for fiscal sponsorship programs are approximately \$546,150 and \$513,356 of fundraising expenses for the years ended June 30, 2014 and 2013, respectively.

Income Tax Status

TSNE is recognized by the Internal Revenue Service as an organization described in Section 501(c)(3) of the Internal Revenue Code (the Code) and is generally exempt from Federal and state income taxes on related income. Accordingly, no provision for income taxes is made in the financial statements. TSNE is subject to unrelated business income tax for certain rental income generated by the NonProfit Center.

Uncertain Tax Positions

TSNE accounts for the effect of any uncertain tax positions based on a “more likely than not” threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a “cumulative probability assessment” that aggregates the estimated tax liability for all uncertain tax positions. TSNE has identified its tax status as a tax exempt entity as a tax position; however, TSNE has determined that such tax position does not result in an uncertainty requiring recognition. TSNE is not currently under examination by any taxing jurisdictions. TSNE’s Federal and state tax returns are generally open for examination for three years following the date filed.

Advertising

TSNE expenses advertising costs as incurred. Total advertising expense for the years ended June 30, 2014 and 2013 was \$7,068 and \$11,449, respectively.

Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”), management is required to make estimates and assumptions that affect the amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Significant management estimates included in the financial statements relate to the allowance for doubtful accounts and loans, useful lives of depreciable assets, allowable costs charged to cost reimbursement contracts, self insurance liabilities and the allocation of common expenses over program functions.

Fair Value Measurements

TSNE reports required types of financial instruments in accordance with the fair value standards. These standards require an entity to maximize the use of observable inputs (such as quoted prices in active markets) and minimize the use of unobservable inputs (such as appraisals or valuation techniques) to determine fair value. Fair value standards also require TSNE to classify these financial instruments into a three-level hierarchy, based on the priority of inputs to the valuation technique or in accordance with net asset value practical expedient rules, which allow for either Level 2 or Level 3, depending on lock up and notice periods associated with the underlying funds. At June 30, 2014 and 2013, TSNE does not have any investments valued at net asset value. The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted or quoted prices for identical assets and liabilities in active markets that TSNE has the ability to access. Instruments which are generally included in this category include listed equity and debt securities publicly traded on a stock exchange.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Financial instruments which are generally included in this category include less liquid and restricted equity securities and over-the-counter derivatives. Level 2 also includes investments reported at net asset value per share with lock up periods of 90 days or less.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The inputs into the determination of fair value require significant management judgment or estimation. Financial instruments that are included in this category generally include limited partnerships, investments in private equity, real estate, natural resources and hedge funds. Level 3 also includes investments reported at net assets value per share with lock up periods in excess of 90 days.

In some instances, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs to minimize the use of unobservable inputs.

Market price is affected by a number of factors, including the type of instrument and the characteristics specific to the instrument. Instruments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. It is reasonably possible that changes in values of these instruments will occur in the near term and that such changes could materially affect amounts reported in these financial statements. For more information on the fair value of TSNE's financial instruments, see Note 4 - Fair Values of Financial Instruments.

Fair Value Measurements (Continued)

Investments are stated at fair value. The estimated fair value of investments is based on quoted market prices. Management is responsible for the fair value measurements reported in the financial statements. TSNE has implemented policies and procedures to assess the reasonableness of the fair values provided and believes that the reported fair values as of the Statements of Financial Position dates are reasonable.

Reclassifications

Certain reclassifications have been made to the prior year financial statements in order to conform with the current year presentation.

Note 2 - Assets Limited as to Use

Assets limited as to use is the microloan fund, with a balance of \$494,037 and \$521,079 as of June 30, 2014 and 2013, respectively. The funds are invested in certificates of deposit. The microloan collateral funds are amounts pledged as collateral against loans made by three banks to New England farmers as part of the fiscally sponsored Carrot Project.

Note 3 - Investment Income

Investment income consisted of the following for the years ended June 30:

	<i>2014</i>	<i>2013</i>
Unrealized gain on investments	\$ 1,257,605	\$ 265,136
Realized gain on investments	<u>365,431</u>	<u>49,748</u>

	\$ 20,074,222	\$ 20,721,976

Note 6 - Bond Payable

The bond payable consists of a Massachusetts Development Finance Agency 2010 Series A Revenue Bond which is a variable instrument due February 1, 2040. The bond bears interest at the adjustable rate, initially 4.14% with adjustments due on February 1, 2020 and February 1, 2030. Principal and interest payments are made monthly. The bond is secured by a mortgage on TSNE's land and building and collateralized by an assignment of rents and leases. The outstanding principal of the bond was \$14,600,000 and \$14,900,000 as of June 30, 2014 and 2013, respectively. The bond is subject to certain financial and operating covenants which TSNE is in compliance with as of June 30, 2014.

Maturities of bond payable are as follows:

2015	\$	310,000
2016		360,000
2017		360,000
2018		360,000
2019		370,000
Thereafter		12,840,000
	\$	14,600,000

Interest expense and fees related to the bond payable amounted to \$611,196 and \$623,608 for the years ended June 30, 2014 and 2013, respectively.

Notes to Financial Statements

Note 7 - Self Insurance Plans

TSNE has elected to finance the cost of unemployment compensation by reimbursing the Commonwealth of Massachusetts for actual unemployment compensation paid. At June 30, 2014 and 2013, TSNE has accrued \$31,960 for estimated claims incurred but not paid at the balance sheet date.

Note 8 - Operating Leases

TSNE occupies office space and leases office equipment under various leases and tenant-at-will agreements through November 2017. Total rent expense under these agreements was \$375,869 and \$370,522 for the years ended June 30, 2014 and 2013, respectively.

The following is the schedule of approximate future minimum lease payments for the above leases as of June 30:

2015	\$	139,000
2016		54,500
2017		12,700
2018		<u>5,300</u>
	\$	<u><u>211,500</u></u>

Note 9 - Retirement Benefits

TSNE has a defined contribution retirement plan covering all employees with one or more years of service. Employer contributions vary with length of service and can amount up to 5% of total compensation for plan participants. During the years ended June 30, 2014 and 2013, contributions incurred under the plan were \$396,721 and \$356,729, respectively.

THIRD SECTOR NEW ENGLAND, INC.

Notes to Financial Statements

Note 10 - Rental Income

TSNE rents certain office space in the building to various organizations through November 2025. The building is operated by an unrelated management company for which it pays a building management fee. Building management fees for both of the years ended June 30, 2014 and 2013 were \$55,800. TSNE's arrangement with this management company is at will and renews annually until cancelled. Rental income for the years ended June 30, 2014 and 2013 was \$2,779,520 and \$2,614,678, respectively.

The following is a schedule by years of the future minimum lease revenue under the non-cancelable leases as of June 30:

2015	\$	2,305,770
2016		2,025,459
2017		1,866,793
2018		1,716,756
2019		1,517,601
Thereafter		<u>4,828,012</u>
	\$	<u><u>14,260,391</u></u>

Note 11 - Net Assets

Net assets are comprised of the following:

Unrestricted net assets are represented by TSNE's net investment in property and equipment, net and remaining net assets available for operations.

Temporarily restricted net assets are mainly restricted as increases in net assets from year to year for the Fiscal Sponsorship programs. These net assets can only be used specifically for the corresponding Fiscal Sponsorship program.

Note 12 - Subsequent Events

TSNE has evaluated subsequent events through October 31, 2014, the date the financial statements were authorized to be issued. Subsequent to year end, TSNE entered into a purchase and sale agreement to purchase a building located in Boston, Massachusetts for \$975,000.

Note 13 - Concentrations of Credit Risk

As of June 30, 2014 and 2013, 31% and 0%, respectively, of gross accounts receivable consisted of grants from one grantor. For the years ended June 30, 2014 and 2013, this grantor made up approximately 13% and 0%, respectively, of grants revenue.

Notes to Schedule of Expenditures of Federal Awards

Year Ended June 30, 2014

Note 1 - Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of Third Sector New England, Inc. under programs of the federal government for the year ended June 30, 2014. The information in this Schedule is presented in accordance with the requirements of the Office of Management and Budget ("OMB") Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the Schedule presents only a selected portion of the operations of Third Sector New England, Inc., it is not intended to and does not present the financial position, changes in net assets or cash flows of Third Sector New England, Inc.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations* wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

*Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements Performed
in Accordance with Government Auditing Standards*

Board of Directors
Third Sector New England, Inc.
Boston, Massachusetts

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Third Sector New England, Inc. ("TSNE"), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 31, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered TSNE's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of TSNE's internal control. Accordingly, we do not express an opinion on the effectiveness of TSNE's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether TSNE's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

*Independent Auditors' Report on Compliance For Each Major Federal Program
and Report on Internal Control Over Compliance in
Accordance with OMB Circular A-133*

Board of Directors
Third Sector New England, Inc.

Report on Compliance for Each Major Federal Program

We have audited Third Sector New England, Inc.'s ("TSNE") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on TSNE's major federal program for the year ended June 30, 2014. TSNE's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for TSNE's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about TSNE's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of TSNE's compliance.

Opinion on Each Major Federal Program

In our opinion, TSNE complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2014.

Report on Internal Control Over Compliance

Management of TSNE is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered TSNE's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of TSNE's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
