Independent Auditor's Report

Board of Directors
YWCA of Greater Lawrence, Inc.

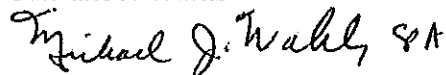

We have audited the accompanying consolidated statements of financial position of the YWCA of Greater Lawrence, Inc. (a nonprofit corporation) as of June 30, 2010 and 2009 and the related consolidated statements of activities and changes in net assets and cash flows, and consolidated statements of functional expenses for the years then ended. These consolidated financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall consolidated financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements, and consolidated statements of functional expenses referred to above present fairly, in all material respects, the consolidated financial position of the YWCA of Greater Lawrence, Inc. as of June 30, 2010 and 2009 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

YWCA OF GREATER LAWRENCE, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2010 AND 2009

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities:

The YWCA of Greater Lawrence, Inc. is a charitable association organized as a not-for-profit corporation for purposes of supplying aid to and improving the Greater Lawrence community. The YWCA is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.

In connection with the development of a 24-unit transitional and permanent housing development on Haverhill Street in Lawrence, Massachusetts (the "Project"), the YWCA of Greater Lawrence, Inc. (this "Corporation") formed a limited liability company, named YWCA Fina House, LLC (the "LLC") to act as owner of the Project, and formed a for-profit subsidiary of this Corporation to be named YWCA Fina House, Inc. (the "Managing Member") to act as managing member of the LLC, with the Corporation serving as the initial member of the LLC along with the Managing Member. The financial position and results of operations of YWCA Fina House, Inc. and YWCA Fina House, LLC owned by the YWCA of Greater Lawrence, Inc. have been consolidated in the accompanying financial statements.

Promises To Give

Contributions are recognized when the donor makes a promise to give to the Association that is, in substance, unconditional. Contributions that are by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Accounts Receivable/Allowance

Accounts receivable are stated at estimated collectible amounts. The Association uses the allowance method to determine uncollectible accounts receivable. The allowance is based on prior years' experience and management's analysis of specific accounts receivable. At June 30, 2010 and 2009, management believes there are no uncollectible accounts receivable.

Basis of Accounting

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial Statement Presentation:

The Association has adopted the Accounting Standards Codification (ASC) for financial statements of not-for-profit organizations. Under ASC, the Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

YWCA of Greater Lawrence, Inc.
Notes to Consolidated Financial Statements

Unrestricted Net Assets

Unrestricted net assets are those net resources that bear no external restrictions and are generally available for use by the Association.

Temporarily Restricted Net Assets

Temporarily restricted net assets are those amounts received with donor restrictions which have not yet been expended for their designated program purposes. Temporarily restricted net assets for programs as of June 30, 2010 and 2009 are \$140,252 and \$12,000, respectively.

Permanently Restricted Net Assets

Permanently restricted net assets consist of funds which are restricted by donors against any expenditures of principal. Income generated by the permanently restricted assets is available for use in operations. As of June 30, 2010 and 2009, there were no permanently restricted net assets.

Contributions:

The Association has adopted ASC, Accounting for Contributions Received and Made. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions.

Support and Revenue

The Association receives its grants and support primarily from the Commonwealth of Massachusetts Department of Social Services and other State Agencies. Support received from those grants and contracts is recognized on a rate per unit served basis, primarily. Revenues are recognized when services have been performed.

Certain contracts provide revenues over a period which extends into the following fiscal year. In those cases, revenues are recognized on a prorata basis or matched to services provided. When revenues are received before the service has been performed, the revenues are deferred.

The Association also solicits funds, both public and private, to support the efforts of the Corporation.

Interest income is recognized when earned on investments and loans.

Functional Allocation of Expenses:

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain expenses have been allocated among the programs and supporting services benefited.

Investments

The Association has adopted the ASC, for Accounting for Certain Investments Held by Not-for-Profit Organizations. Under the ASC, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Property and Equipment

The Association follows the practice of capitalizing, at cost, all expenditures for fixed assets in excess of \$1,000. Property and equipment donated is recorded at its fair market value at the time of the donation. Depreciation is computed using the straight-line basis over the estimated useful lives of the assets generally as follows:

Building and Improvements	20-40 years
Furniture and Equipment	5-10 years
Computer Equipment	3 years

Loans

Loans are recorded at estimated realized value.

Income Taxes

The Association is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and therefore, no provision for income taxes is reflected in the accompanying financial statements. The Association has no unrelated business income.

Cash Equivalents:

Cash equivalents consist of short-term, highly liquid investments, which are readily convertible into cash within one year of purchase.

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Reclassifications

Certain items in the 2009 financial statements have been reclassified to conform to the current year presentation.

NOTE 2 - ACCOUNTS RECEIVABLE- PROGRAMS

At June 30, 2010 and 2009, the Association's receivables consisted of the following:

	<u>2010</u>	<u>2009</u>
Receivables:		
Government program services	\$ 527,494	\$ 405,790
Other receivables	<u>17,690</u>	<u>24,703</u>
	<u>\$ 545,184</u>	<u>\$ 430,493</u>

NOTE 3 - SHORT TERM INVESTMENTS

The Association held \$9,309 and \$9,034 in marketable equity securities at June 30, 2010 and 2009, respectively. Total book and market value of short term investments was as follows at June 30:

	<u>2010</u>		<u>2009</u>	
	<u>Book</u> <u>Value</u>	<u>Market</u> <u>Value</u>	<u>Book</u> <u>Value</u>	<u>Market</u> <u>Value</u>
Marketable equity securities	\$ 9,309	\$ 9,309	\$ 9,034	\$ 9,034
UST Realty Trust Preferred Stock (at cost)	<u>1,000</u>	<u>1,000</u>	<u>1,000</u>	<u>1,000</u>
	<u>\$ 10,309</u>	<u>\$ 10,309</u>	<u>\$ 10,034</u>	<u>\$ 10,034</u>

NOTE 4 - NOTES RECEIVABLE

The Association has the following notes receivable:

Note Receivable FINA House (Developer Loan):

The note receivable balance as of June 30, 2010 and 2009 was \$56,854. This loan matures in 2034 and bears interest at 5.34%.

Note Receivable FINA House (McKinney Loan):

The note receivable balances as of June 30, 2010 and 2009 were \$278,698 and \$268,268, respectively, matures in 2034 and bears interest at 4.79%.

NOTE 5 - TRANSITIONAL AND PERMANENT HOUSING PROJECT

The development of a 20-unit transitional and low income permanent housing property known as YWCA Fina House located at 203 Haverhill Street in Lawrence, Massachusetts was completed in September 2005. Occupancy of the units began October 1, 2005. One of the partners of the YWCA Fina House, LLC is the YWCA Fina House, Inc., a for-profit corporation, with a 0.01% ownership share. The YWCA Fina House, Inc. is jointly owned by the YWCA of Greater Lawrence, Inc. (79% ownership share) and the YWCA of Greater Boston, Inc. (21% ownership share). The remaining 99.99% ownership share of the YWCA Fina House, LLC is owned by the Massachusetts Housing Equity Fund X, LLC.

As part of the Development Agreement between the YWCA of Greater Lawrence and YWCA Fina House, LLC, the YWCA of Greater Lawrence raised and loaned certain funds to the YWCA Fina House, LLC that were used for the facility's construction. This loan to the YWCA Fina House, LLC is recorded as a Note Receivable of \$56,854 and bears interest at 5.34%. The interest accrual began on July 20, 2004 and resulted in interest income of \$3,036 and \$3,036 for the YWCA of Greater Lawrence for the years ended June 30, 2010 and 2009, respectively.

The YWCA of Greater Lawrence, Inc. received a Developer Fee of \$263,000 for its efforts related to the development of the property from the YWCA Fina House, LLC in April 2006. In 2006, the YWCA incurred costs of \$15,000 in connection with the development of the project. Since the YWCA of Greater Lawrence has a two (2) year Operating Deficit Guaranty, this Development Fee may be used to fund such deficit. This Operating Deficit Guaranty expired September 30, 2007. Also, if the building units are not properly rented to qualified low-income individuals or families resulting in the loss of tax credits to the investors, the Development Fee will be refunded to the investors. In either event, the maximum exposure of the YWCA of Greater Lawrence to the YWCA Fina House LLC is \$248,000. Thus, the Developer Fee of \$248,000 could be lost, either in whole or in part, related to such events occurring.

The YWCA of Greater Lawrence has entered into various guaranty agreements with lenders to the YWCA Fina House, LLC related to the repayment of \$2,778,865 as of June 30, 2010 of senior and subordinated debt associated with the construction of this facility. It has also entered into a guaranty agreement with the Massachusetts Housing Equity Fund X, LLC, its successors or assigns, in the amount of \$2,401,476 which represents the equity fund's investment in YWCA Fina House LLC.

The YWCA of Greater Lawrence receives compensation for the management of the YWCA Fina House facility under an agreement with the YWCA Fina House LLC. These payments began in October 2005. For 2010 and 2009, the YWCA reported revenues of \$131,514 and \$145,381, respectively, related to this management contract with the YWCA Fina House LLC.

NOTE 7 - RETIREMENT PLAN:

The Association participates in a defined contribution retirement plan covering its employees. The Plan is administered by the YWCA Retirement Fund, Inc. Employees who complete at least 1,000 hours of service in each year in two 12 month periods are eligible to participate in the Plan. The Plan is non-contributory however, employees who wish to may contribute over and above the Association's contribution. Retirement plan expense for the years ended June 30, 2010 and 2009 was \$169,909 and \$158,997, respectively.

NOTE 8 - DONATED SERVICES:

The Association receives donated services from a variety of unpaid volunteers which make significant contributions of their time in conjunction with programs and services. No amounts have been recognized in the accompanying statements of activities because the criteria for recognition of such volunteer effort has not been satisfied.

NOTE 9 - FINANCIAL INSTRUMENTS:

Concentrations of Credit Risk Arising From Cash Deposits in Excess of Insured Limits:

The Association maintains cash balances at several financial institutions located in the greater Lawrence area. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000 and at one institution there is unlimited insurance coverage by a secondary insurer, Depositors Insurance Fund. At June 30, 2010, the Association's cash balance exceeding FDIC insurance limits amounted to approximately \$188,000.

NOTE 11 - CONCENTRATIONS OF CREDIT RISK

Approximately forty-eight and fifty-two percent of the Association's accounts receivable at June 30, 2010 and 2009, respectively, represents amounts due from Massachusetts' governmental agencies.

Approximately sixty-one and sixty percent of the Association's revenues for the years ended June 30, 2010 and 2009, respectively, are from Massachusetts' governmental agencies.

NOTE 11 - FAIR VALUES OF FINANCIAL INSTRUMENTS

Determination of Fair Value

The Association uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. The fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is best determined based upon quoted market prices. However, in some instances, there may be no quoted market prices for the Association's various financial instruments. In cases where quoted market prices are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows. Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument.

Fair Value Hierarchy

In accordance with FASB ASC 820, the Association groups its financial assets and financial liabilities generally measured at fair value in three levels, based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value.

Level 1 - Valuation is based on quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 assets and liabilities generally include debt and equity securities that are traded in an active exchange market. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 - Valuation is based on inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly. The valuation may be based on quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability.

Level 3 - Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which determination of fair value requires significant management judgment or estimation.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following methods and assumptions were used to estimate the fair value of each class of financial instruments.

Cash and cash equivalents

The carrying amounts for cash and cash equivalents approximate their fair values.

Accounts Receivable

The carrying amounts of accounts receivable approximate their fair value.

Investments

Fair value for investments are based on quoted market prices, where available. If quoted market prices are not available, fair values are based on quoted market prices of comparable instruments.

NOTE 11 - SURPLUS/DEFICIT REVENUE RETENTION

In accordance with the YWCA of Greater Lawrence, Inc.'s contracts with one of its principal funding sources, the Commonwealth of Massachusetts, the YWCA is allowed to retain a portion of its excess support and revenue over expenses in a fiscal year (the "surplus"). The YWCA may retain as its surplus up to 5% of total revenue from the Commonwealth during any fiscal year. In addition, the YWCA may retain a cumulative amount of surplus over a period of years not to exceed 20% of the prior years' total support and revenue from the Commonwealth.

NOTE 12 - CAMP Y WOOD FIRE

On May 28, 2010, the main building including all contents at the YWCA's camp facility in New Hampshire was destroyed by fire. The building and contents were covered by insurance with a \$1,000 deductible applicable separately to the building and the contents. The building and contents destroyed in the fire were fully depreciated. Subsequent to June 30, 2010, the YWCA received an insurance settlement for the loss in the amount of approximately \$44,000. The gain from the receipt of the insurance claim has not been recorded as of June 30, 2010 because it was not settled at that time.

NOTE 13 - SUBSEQUENT EVENTS

The Association has evaluated all subsequent events through October 21, 2010, the date the financial statements became available to be issued. There were no subsequent events that require adjustment to the financial statements.
