INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Community Providers of Adolescent Services, Inc.
d/b/a COMPASS
Dorchester, Massachusetts

We have audited the accompanying statement of financial position of Community Providers of Adolescent Services, Inc. d/b/a Compass (the Organization) (a not-for-profit organization) as of June 30, 2010, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Organization's 2009 financial statements and, in our report dated November 12, 2009, we expressed an unqualified opinion on the statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Providers of Adolescent Services, Inc. d/b/a Compass as of June 30, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated October 26, 2010, on our consideration of Community Providers of Adolescent Services, Inc. d/b/a Compass' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Community Providers of Adolescent Services, Inc.
d/b/a COMPASS
Dorchester, Massachusetts

We have audited the accompanying statement of financial position of Community Providers of Adolescent Services, Inc. d/b/a Compass (the Organization) (a not-for-profit organization) as of June 30, 2010, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Organization's 2009 financial statements for which we expressed an unqualified opinion on November 12, 2009.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Providers of Adolescent Services, Inc. d/b/a COMPASS as of June 30, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated October 26, 2010, on our consideration of Community Providers of Adolescent Services, Inc. d/b/a Compass' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

The supplementary information included in Schedules A and B is presented for purposes of additional analysis as required by the Commonwealth of Massachusetts Operational Services Division and is not a required part of the basic financial statements. Such information is the representation of Community Providers of Adolescent Services, Inc. d/b/a Compass' management and has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, we do not express an opinion on it.

1. ORGANIZATION

Community Providers of Adolescent Services, Inc. d/b/a COMPASS (hereinafter the "Organization") is a private non-profit educational and social service organization, providing special needs education, counseling, vocational, enrichment and outreach activities for students, and family stabilization and support services for families in crisis. Each year COMPASS provides services to over 1,000 youth, adolescents and adults. Founded in 1974, COMPASS has provided services to over 20,000 students, parents/guardians through its school based and home based service programs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Organization have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Financial Statement Presentation – The Organization follows the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) subtopic *Presentation of Financial Statements* for not-for-profit entities. Net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

<u>Unrestricted net assets</u> – Net assets that are not subject to donor-imposed restrictions. The Organization may designate portions of its unrestricted net assets as board designated for various purposes.

<u>Temporarily restricted net assets</u> – Net assets subject to donor-imposed stipulations that may be met either by actions of the Organization and/or the passage of time.

<u>Permanently restricted net assets</u> – Net assets subject to donor-imposed stipulations that must be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes. As of June 30, 2010 and 2009, the Organization had no permanently restricted net assets.

Revenue is reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

Revenue Recognition – A majority of the Organization's students are supported by the Massachusetts Department of Children and Families, the City of Boston and various other cities and towns. Therefore, the Organization is subject to the regulations and rate formulas of the Massachusetts Operational Services Division. Revenue is recorded at the Organization's rate of reimbursement as certified by the Operational Services Division. Tuition revenues are recognized when earned over the period services are performed.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES…continued

Contributions – Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and nature of any donor restrictions. Contributions are recognized as an increase to unrestricted net assets when the donor makes a promise to give to the organization that is, in substance, unconditional. All donor-restricted support is reported as an increase in temporarily restricted or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or the purpose is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents – Cash and cash equivalents include all highly liquid debt instruments with an original maturity of three months or less. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organizations believes it is not exposed to any significant credit risk on cash and cash equivalents.

Accounts Receivable – For financial reporting, current revenue is charged and an allowance is credited with a provision for doubtful accounts based on experience. Accounts deemed uncollectible are charged against this allowance. As of June 30, 2010 and 2009 the allowance for doubtful accounts was $141,131 and $128,870, respectively. Bad debt expense for the years ended June 30, 2010 and 2009 was $32,806 and $135,032, respectively.

Property, Equipment and Depreciation and Amortization – Property and equipment are recorded at cost or fair value, if received by donation, at the time such properties are received. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. The Organization follows the practice of capitalizing all expenditures for property and equipment in excess of $2,500. Depreciation and amortization of property and equipment is computed on a straight-line basis over the estimated useful lives of the assets. Estimated useful lives are as follows:

Asset	Years
Computer equipment	3
Motor vehicles	5
Leasehold improvements	5
Furniture and equipment	5 and 7

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES…continued

Fair Value Measurement – The Organization adopted the provisions of *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification, effective July 1, 2008. This topic clarifies that fair value is an exit price representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The *Fair Value Measurements and Disclosures* Topic establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. Determining where an asset or liability falls within that hierarchy depends on the lowest level input that is significant to the fair value measurement as a whole. The three levels of the fair value hierarchy are described below.

Level 1 – Quoted prices that are available in active markets for identical assets or liabilities. The types of financial instruments included in Level 1 are marketable equity available for sale securities that are traded in an active exchange market.

Level 2 – Pricing inputs other than quoted prices in active markets, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Instruments included in this category are warrants and derivative contracts whose value is determined using a pricing model with inputs that are observable in the market or can be derived principally from or corroborated by observable market data.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 includes assets and liabilities whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Investments – All investments have been reported in the financial statements at fair value. The fair value of publicly traded securities is based upon quotes from the principal exchanges on which the security is traded.

The Academy has adopted the portion of Subtopic 205 of the FASB ASC that relates to "Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of Uniform Prudent Management of Institutional Funds Act (UPMIFA) and Enhanced Disclosures for All Endowment Funds", effective June 30, 2009. This FASB ASC Subtopic provides guidance on the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of UPMIFA. UPMIFA is a model act approved by the Uniform Law Commission (ULC; formerly known as the National Conference of Commissioners on Uniform State Laws). Effective June 30, 2009, the Commonwealth of Massachusetts adopted UPMIFA in its General Laws chapter 180A. Among UPMIFA's most significant changes is the elimination of the concept of historic dollar value threshold, the amount below which an organization cannot spend from a fund, in favor of a more robust set of guidelines about what constitutes prudent spending. The FASB ASC Subtopic serves as a guideline for states to use in enacting legislation. This guidance also improves disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES…continued

Return Objectives and Risk Parameters – The Organization had adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs and activities supported by it endowment. Under this approach, the endowment assets are invested in a manner that is intended to produce results that equal or exceed relevant benchmarks while assuming a low level of investment risk. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives – To satisfy its objectives, the Organization relies on a total return strategy which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividend). The Organization targets a diversified asset allocation strategy that places a greater emphasis on equity-based investments to achieve its long-term return objectives within the guidelines of its investment policy and prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy – The Organization may spend its endowment assets as needed with the approval of the Board of Directors. The Organization spent a portion of its endowment assets to fund its operations and various leasehold improvements in fiscal 2010. The Organization's investment and spending policies have been designed to limit the exposure of the endowment assets while providing for growth through new gifts and investment return. Evaluation of progress toward the investment objective shall be made with a long-term perspective.

Comparative Totals – The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2009, from which the summarized information was derived.

Income Tax Status – The Organization is qualified under Section 501(c) (3) of the Internal Revenue Code and is exempt from Federal and state income taxes.

Subsequent Events – The Organization has entered into a three year lease agreement with Boston Public Schools as of July 1, 2010 to rent one of the Organization's vacant properties to Boston Public Schools. The Organization has evaluated all events subsequent to the financial statement date of June 30, 2010, through October 26, 2010, and has determined that there are no other subsequent events that require disclosure under Statement of FASB ASC Topic "*Subsequent Events"* other than the July 1, 2010 lease agreement.

13. CONTINGENCIES AND CONCENTRATIONS OF CREDIT RISK

In accordance with the terms of its contracts with the Commonwealth of Massachusetts, the records of the Organization are subject to audit. The Organization is, therefore, contingently liable for any disallowed costs. Management believes that any adjustment which might result from such an audit would be immaterial.

Substantially all of the Organization's receivables are from state agencies, cities and towns in the Commonwealth of Massachusetts.

14. FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing programs and other activities have been summarized on a functional basis in the accompanying financial statements. Accordingly, certain costs have been allocated amongst the program and supporting services benefited.

15. RELATED PARTY TRANSACTIONS

The former executive director (and a current member of the Board of Directors) of the Organization is the executive director of another human services provider. The Organization provided services to that provider through its consulting program in 2009, resulting in billings totaling $3,797 during fiscal year 2009. There were no related party transactions in fiscal year 2010 and no amounts due to the Organization from related parties as of June 30, 2010.

A member of the Board of Directors of the Organization is the principal of a middle school. The Organization held its afterschool program at that middle school during fiscal 2010 and 2009. There were no billings from that middle school to the Organization nor was any compensation paid to the principal by the Organization during fiscal 2010 and 2009.

16. SURPLUS REVENUE RETENTION

In accordance with The Operational Services Division (0.S.D.) Regulation, 808 C.M.R. 1.19 (3), a provider of human services is allowed to retain a portion of its change in net assets in a fiscal year (the "surplus"). A provider may retain as its surplus up to 5% of total revenue from Massachusetts sources during any fiscal year. In addition, a provider may retain a cumulative amount of surplus over a period of years not to exceed 20% of the prior year's total support and revenue from Massachusetts sources.

The following summarizes the Organization's calculation of the surplus for fiscal 2010 and on a cumulative basis:

Surplus balance/(deficit), beginning of year	$ (642,151)
Surplus/(deficit), current year	(158,218)(1)
Surplus balance/(deficit), end of year	$ (800,369)(2)

(1) Maximum surplus allowed in fiscal 2010 is $246,825

(2) Maximum surplus allowed on a cumulative basis is $987,299

$158,218 of the $2,536,695 non-Commonwealth surplus revenues generated in prior years and segregated in the net assets as surplus from the non-Commonwealth programs has been used to defray the following reimbursable expenses in the current year:

Employee salaries	$ 158,218

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Community Providers of Adolescent Services, Inc.
d/b/a COMPASS
Dorchester, Massachusetts

We have audited the financial statements of Community Providers of Adolescent Services, Inc. d/b/a Compass (a non-profit organization) as of and for the year ended June 30, 2010, and have issued our report thereon dated October 26, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Community Providers of Adolescent Services, Inc. d/b/a Compass' internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Providers of Adolescent Services, Inc. d/b/a Compass' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of management, the Board of Directors, others within the entity, and the Commonwealth of Massachusetts Operational Services Division and is not intended to be and should not be used by anyone other than these specified parties.
