Dear Teachers,

If you have already answered this survey online, please recycle this paper copy. If you have not filled out this survey online, please do so now and return it to the principal as soon as possible. Thank you for taking the time to help us analyze and improve technology access at St. Peter School.

1. What grade level do you teach?
   - ❏ K1-4
   - ❏ 5-8
   - ❏ K1-8

2. Choose the statement that best describes how Internet safety is addressed in your classroom.
   - ❏ This topic is not relevant to my grade level or subject area.
   - ❏ I do not explicitly address Internet safety.
   - ❏ I rely on our school Internet filter.
   - ❏ I refer to the school's Acceptable Use and Internet Safety policy.
   - ❏ I include some Internet safety strategies in my curriculum.
   - ❏ I teach Internet safety using MA DOE K-12 Internet Safety curriculum.

3. Choose the statement that best describes your instruction in the responsible use of copyrighted resources.
   - ❏ This topic is not relevant to my grade level or subject area.
   - ❏ I'm not aware of issues related to responsible use.
   - ❏ I'm aware of the issues but do not address them in my classes.
   - ❏ I provide basic instruction about plagiarism and the role of proper citation and bibliographies.
   - ❏ In addition to proper citation and plagiarism, I ensure that my students understand fair use and other copyright permissions.
   - ❏ In addition to the skills described above, I instruct my students on their rights as information creators, ensuring they understand how to define their how their products are used by others (creative commons licensing).

4. Which of these tools do you use to communicate with students and/or parents?
Select all that apply.
   - ❏ Edmodo
   - ❏ E-mail
   - ❏ Online newsletters
   - ❏ Phone/voice mail
   - ❏ Social network sites (Facebook, Twitter, Google+, etc.)
   - ❏ Teacher web page or web site, wiki or blog
   - ❏ Text messaging
   - ❏ Videoconferencing (web cams, skype, hangouts, etc.)

5. Choose the statement that best describes the research process in your teaching.
   - ❏ This topic is not relevant to my grade level or subject area.
   - ❏ I don't assign research projects.
   - ❏ I ask my students to report information on a topic I assign.
   - ❏ I ask students to find information on a selected topic. Information is organized and
   - ❏ presented based on an outline I define.

- ❏ I ask my students to develop a research question (or define a hypothesis), locate quality
- ❏ information, and organize information to support their conclusions.

6. Choose the statement that best describes the use of electronic searching in your teaching.
- ❏ This topic is not relevant to my grade level or subject area.
- ❏ I don't ask my students to search for information electronically.
- ❏ I ask my students to find information on the Internet.
- ❏ I provide instruction on search engines, and how to evaluate sources.
- ❏ I introduce advanced search techniques.

Please rate the following statements using the scale below:
1 Strongly Agree
2 Agree
3 Somewhat Agree
4. No Opinion
5. Somewhat Disagree
6. Disagree
7 Strongly Disagree

_____1. The technology tools that I have available to me allow me to complete work efficiently and effectively.

_____2. The technology tools that my students have available to them allow them to complete work efficiently and effectively.

_____3. I find Edmodo to be a useful tool to communicate student progress.

_____4. I find Edmodo to be a useful tool to communicate with other educators.

_____5. I find Edmodo to be a useful tool to communicate class expectations.

_____6. The school website is useful to me.

_____7. My classroom technical difficulties are addressed in a timely manner.

_____8. I feel supported in my attempt to integrate technology into the curriculum.

_____9. I find the computer lab to be a helpful resource for my students.

_____10. I collaborate with colleagues using technology.

Please select the one response for each item that most accurately describes your use of technology.
1. Never
2. Rarely—Once or twice a year
3. Occasionally—Monthly
4. Regularly—Weekly or whenever appropriate and useful

_____1. My students use electronic tools to communicate and interact with teachers, parents, students community members, and others for learning purposes.
_____2. I use electronic tools to align lessons with standards and create assessments.
