INDEPENDENT AUDITORS' REPORT

Board of Directors
Jewish Family Service of Metrowest, Inc.

We have audited the accompanying statements of financial position of **Jewish Family Service of Metrowest, Inc.** (A Not-for-Profit Organization) as of September 30, 2012 and 2011, and the related statements of activities and change in net assets, functional expenses, and cash flows – indirect method for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Jewish Family Service of Metrowest, Inc.** as of September 30, 2012 and 2011, and the changes in its net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 22, 2013, on our consideration of **Jewish Family Service of Metrowest, Inc.'s** internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audits.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2012

NOTE 1 – BUSINESS

Principal Business Activity – Jewish Family Service of Metrowest, Inc. (the “Organization”) provides charitable, education, home health, and social programs for the benefit of the Greater Metrowest community. Program services provided by the Organization are as follows:

Adoption – The Adoption Support and Education Program provides counseling, adoption placement, pre- and post-adoption support, and education to birth parents, adoptive parents, and children.

Homemaker Services – The Homemaker Services program includes a fee-based service which provides comprehensive and integrated support to elders and their families as they experience difficult life transitions.

Elder Care Services – Elder Care Services program offers community-based health and social programs for elders including our Healthy Partners program, and provides elder counseling, geriatric care management, and caregiver services.

Other Programs – Other programs and services provided by the Organization include new American refugee services and citizenship services, after school programs for children including our Reducing Achievement Gaps program, Jewish communal services, Family Emergency Assistance program, and a variety of community based social and educational services for children, adults, and families.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The presentation follows the recommendation of the Financial Accounting Standards Board in which the Agency is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted Net Assets – Represent net assets that are not subject to donor-imposed stipulations and include all revenues and expenses associated with the principal mission of the Organization. The Board of Directors has discretionary control over all of these assets. The Board may elect to designate such resources for specific purposes. This designation may be removed at the Board’s direction.

Temporarily Restricted Net Assets – Represent net assets subject to donor-imposed or grant stipulations for specific operating or capital purposes. These assets will become unrestricted when the requirements of the donor or grantor have been satisfied either by the expenditure for the specified purpose or program or through the passage of time.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Permanently Restricted Net Assets – Represent net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Investment income may be either an unrestricted or temporarily restricted resource when earned, determined according to the gift instrument.

The Organization currently has no net assets reportable as permanently restricted net assets.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from the estimates.

Cash and Cash Equivalents – The Organization considers all money market funds and investments with maturities of three months or less when acquired to be cash equivalents.

During the course of the normal business cycle the Organization may, at times, maintain cash and cash equivalent balances in excess of the Federal Deposit Insurance Corporation (FDIC) limit. Cash deposits that are held in a Massachusetts bank are insured in full through a combination of insurance provided by FDIC and the Depositors Insurance Fund (DIF). Funds held in an uninsured money market fund amounted to \$16,301 and \$16,299 at September 30, 2012 and 2011, respectively.

Accounts and Loans Receivable and Unconditional Promises to Give – When considered necessary by management, receivables are stated net of an allowance for doubtful accounts, which would be reported on the face of the Organization's statement of financial position. The allowance is established by a provision for bad debts charged to operations. On a periodic basis, management evaluates its receivables and establishes or adjusts its allowance to an amount that it believes will be adequate to absorb possible losses on accounts that may become uncollectible, based on evaluations of the collectability of individual accounts, the Organization's history of prior loss experience and current economic conditions. Accounts are charged against the allowance when management believes that the collectability of the specific account is unlikely. At September 30, 2012 and 2011, the allowance was \$27,500 and \$46,250, respectively, and related primarily to unconditional promises to give.

Property and Equipment – Property and equipment are recorded at cost, if purchased, or at fair market value, if donated. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expenses as incurred. Depreciation is computed using the straight-line method over the following estimated useful lives of the assets. Fully depreciated computer equipment totaling \$3,486 and \$5,732 were written off during September 30, 2012 and 2011, respectively.

	<u>Estimated Useful Life</u>
Building and improvements	39 Years
Office equipment and furniture	5 Years
Computers	5 Years

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions, Gifts, and Grants – The Organization records contributions, gifts, and grants as receivables and revenues and distinguishes between contributions received for each net asset category in accordance with donor-imposed restrictions. Contributions may include gifts of cash, collection items, or promises to give. Fund campaign contributions are recorded as revenue when the pledge is verified or received. Such contributions are considered to be available for unrestricted use unless specifically restricted by the donor or grantor. Contributions of assets other than cash are recorded at their fair value at the date of the gift. Conditional promises to give, which depend on the occurrence of a specified future and uncertain event to bind the promissory, are recognized when the conditions on which they depend are substantially met. The Organization recognizes donated services that creates or enhances nonfinancial assets or that require specialized skills, as provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

The Organization records contributions, gifts and grants as contributions are reported as unrestricted net assets unless the donor has imposed stipulations that specify how the assets must be used. Assets donated with explicit restrictions and contributions of cash that must be used to acquire equipment are reported as temporarily or permanently restricted net assets. Absent donor stipulations regarding how long those donated asset must be maintained, the Organization records expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Program Service Fees – Revenue is recognized when services are rendered.

Functional Allocation of Expenses – The costs of providing the various programs and other activities of the Organization have been summarized on a functional basis in the statements of activities and change in net assets. Accordingly, certain costs have been allocated between the program and supporting services benefited.

Income Tax Status – The Organization is exempt from Federal income taxes as an organization (not a private foundation) formed for charitable purposes under Section 501(c)(3) of the Internal Revenue code. Contributions to the agency are deductible by donors within the requirements of the Internal Revenue Code.

The Organization is required to recognize the financial statement impact of a tax position unless it is more likely than not that the position will be sustained upon examination. If applicable, the Organization recognizes interest accrued related to unrecognized tax benefits in interest expense and penalties in the operating expenses.

Currently, the tax years ended December 31, 2009, 2010 and 2011 are open and subject to examination by the Internal Revenue Service and the Massachusetts Department of Revenue. However, the Organization is not currently under audit nor has the Organization been contacted by either of these jurisdictions.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Based on the evaluation of the Organization's tax positions, management believes all positions taken would be upheld under an examination. Therefore, no provision for the effects of uncertain tax positions has been recorded for the year ended September 30, 2012.

Compensated Absences – An accrual for employee vacation time earned, but not taken or forfeited, is included in accrued expenses. Employees are also entitled to paid sick days off, which may be accumulated up to a maximum of 45 days. Unused sick leave in the event of termination, however, is forfeited and is not reimbursable to the employee. The Organization's policy is to recognize the cost of sick time when actually paid to employees.

Advertising Costs – Advertising costs are expensed as incurred and amounted to \$140 and \$2,004 for the years ended September 30, 2012 and 2011, respectively.

Concentrations of Credit Risk – The Organization receives a substantial amount of its support and revenue from state contracts and from major public support organizations. A significant reduction in the level of any of this support and revenue, if this were to occur, might have an adverse effect on the Organization's programs and activities.

The Organization also has a concentration of credit represented by cash balances in certain large commercial banks in amounts which occasionally exceed current federal deposit insurance limits. The financial stability of these institutions is continually reviewed by senior management.

Reclassifications – Certain reclassifications have been made to the 2011 financial statements to conform to the 2012 presentation

NOTE 11 – SUBSEQUENT EVENTS

The date to which events occurring after September 30, 2012, the date of the most recent statement of financial position, have been evaluated for possible adjustments to the financial statements is February 22, 2013, which is the date the financial statements were available to be issued.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Jewish Family Service of Metrowest, Inc.

We have audited the financial statements of **Jewish Family Service of Metrowest, Inc.** (a Not-for-Profit Organization) as of and for the year ended September 30, 2012, and have issued our report thereon dated February 22, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

Management of **Jewish Family Service of Metrowest, Inc.** is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered **Jewish Family Service of Metrowest, Inc.** internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **Jewish Family Service of Metrowest, Inc.** internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Jewish Family Service of Metrowest, Inc.** financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.
