Independent Auditor's Report

To the Board of Directors of
Jumpstart for Young Children, Inc.:

Report on the Financial Statements

We have audited the accompanying financial statements of Jumpstart for Young Children, Inc. (a Massachusetts corporation, not for profit) which comprise the statements of financial position as of August 31, 2015 and 2014, and the related statements of activities and changes in net assets, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jumpstart for Young Children, Inc. as of August 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1. OPERATIONS, NONPROFIT STATUS AND SIGNIFICANT ACCOUNTING POLICIES

OPERATIONS

Founded in 1993, Jumpstart for Young Children, Inc. (Jumpstart) is a national early education organization that helps children develop the language, literacy and social skills they need to succeed in kindergarten, setting them on a path for lifelong success. Jumpstart served 11,400 and 11,300 children during the 2015 and 2014 fiscal years, respectively, by engaging 4,253 Corps members across fourteen states and the District of Columbia.

Jumpstart operates 75 sites under two models: corporate and affiliate. Jumpstart's corporate programs are run by Jumpstart's employees, whereas affiliate sites implement the program with university staff members and pay their expenses directly. Affiliate universities are awarded a reimbursement grant by Jumpstart to cover these expenses. Of Jumpstart's 75 sites, 39 were classified as affiliate sites. This classification is a fiscal distinction only as all program fidelity requirements must be equally met under both models.

Throughout the past twenty years, Jumpstart's unique program has excelled at training caring adults to engage preschool-aged children in a carefully designed curriculum that ensures children enter kindergarten prepared to succeed. The program is intensive and intentional; children participate in twenty weeks of sessions targeted at building the specific skills research tells us children need. An external study conducted by Illinois State University showed that Jumpstart children showed gains that were two to three times larger than the gains of comparison children, "Harris, S. (2010)." *Early intervention for poverty-stricken children: A study of preschoolers receiving Jumpstart.* (Unpublished doctoral dissertation, Illinois State University, Normal, IL).

Jumpstart's high quality, cost-effective and replicable program, along with its ability to work collaboratively with partners and parents, has been recognized by major industry awards and featured in national media. Learn more at www.jstart.org.

NONPROFIT STATUS

Jumpstart is exempt from Federal income taxes as an organization (not a private foundation) formed for charitable purposes under Section 501(c)(3) of the Internal Revenue Code (IRC). Jumpstart is also exempt from state income taxes. Donors may deduct contributions made to Jumpstart within IRC requirements.

SIGNIFICANT ACCOUNTING POLICIES

Jumpstart prepares its financial statements in accordance with generally accepted accounting standards and principles established by the Financial Accounting Standards Board (FASB). References to U.S. generally accepted accounting principles (U.S. GAAP) in these notes are to the FASB Accounting Standards Codification (ASC).

Cash and Cash Equivalents

For purposes of the statements of cash flows, cash and cash equivalents consist of checking and small business money market savings accounts.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements

Jumpstart follows the accounting and disclosure standards pertaining to ASC Topic, *Fair Value Measurements*, for qualifying assets and liabilities. Fair value is defined as the price that the Jumpstart would receive upon selling an asset or pay to settle a liability in an orderly transaction between market participants.

Jumpstart uses a framework for measuring fair value that includes a hierarchy that categorizes and prioritizes the sources used to measure and disclose fair value. This hierarchy is broken down into three levels based on inputs that market participants would use in valuing the financial instruments based on market data obtained from sources independent of Jumpstart. Inputs refer broadly to the assumptions that market participants would use in pricing the financial instrument, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the financial instrument developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset developed based on the best information available.

The three-tier hierarchy of inputs is summarized in the three broad levels as follows:

- Level 1 - Inputs that reflect unadjusted quoted prices in active markets for identical assets at the measurement date.
- Level 2 - Inputs other than quoted prices that are observable for the asset either directly or indirectly, including inputs in markets that are not considered to be active.
- Level 3 - Inputs that are unobservable and which require significant judgment or estimation.

An asset or liability's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement. All qualifying assets and liabilities are valued using Level 1 inputs.

Property, Equipment and Depreciation

Property and equipment are recorded at cost, if purchased, or at fair value at the date of donation. Property and equipment consist of the following as of August 31:

	<u>2015</u>	<u>2014</u>
Equipment and technology	\$ 763,660	\$ 661,846
Leasehold improvements	174,154	174,154

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property, Equipment and Depreciation (Continued)

Leasehold improvements are depreciated using the straight-line method over the life of the lease. Equipment and technology and furniture and fixtures are depreciated using the straight-line method over an estimated useful life of three years. Depreciation expense was \$124,641 and \$172,124 for the years ended August 31, 2015 and 2014, respectively.

Revenue Recognition

Unrestricted contributions are recorded as unrestricted revenue when unconditionally pledged or received. Grant revenue is recorded as services are provided.

Jumpstart records unconditional grants and contributions as temporarily restricted revenue and net assets, if they are received with donor stipulations that limit the use of the assets. When a donor stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions. Restricted grants and contributions received and expended in accordance with donor restrictions within the same fiscal year are reported as unrestricted revenues.

Allowance for Doubtful Accounts

Estimates of uncollectible grants and pledges receivable are based on past collection experience together with a review of the current status of existing receivables. There was no allowance for uncollectible grants and pledges receivable at August 31, 2015 and 2014.

Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Expense Allocation

Expenses related directly to a function are distributed to that function, while other expenses are allocated based upon management's estimate of the percentage attributable to each function.

Grants to Affiliates

Jumpstart awards one-year cost reimbursable grants to its affiliates. These grants are recognized as expenses as costs are incurred. Amounts expensed but not yet disbursed are recorded as payable to affiliates in the accompanying statements of financial position.

1. OPERATIONS, NONPROFIT STATUS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Assets

Unrestricted net assets include amounts which bear no external restrictions and are currently available for operations. Jumpstart has classified its unrestricted net assets into the following categories:

Operating represents the portion of net assets that are available for general operations.

Property and equipment represent the portion of net assets invested in property and equipment, net of related debt.

Temporarily restricted net assets include contributions and grants which are designated by donors for specific purposes or time periods. These contributions are recorded as temporarily restricted net assets until they are expended for their designated purposes or the time period lapses.

Temporarily restricted net assets are restricted as follows as of August 31:

	<u>2015</u>	<u>2014</u>
Time	\$ 2,841,300	\$ 1,432,398
Purpose	<u>640,322</u>	<u>197,500</u>
Total temporarily restricted net assets	<u>\$ 3,481,622</u>	<u>\$ 1,629,898</u>

Special Events

Jumpstart records special events revenue using the gross method. Special events revenue is included in grants and contributions and totaled \$2,115,260 and \$3,015,148 for the years ended August 31, 2015 and 2014, respectively. Special events expenses totaled \$485,811 and \$443,891 for the years ended August 31, 2015 and 2014, respectively, and are included in fundraising and special events in the accompanying statements of functional expenses.

Uncertainty in Income Taxes

Jumpstart accounts for uncertainty in income taxes in accordance with ASC Topic, *Income Taxes*. This standard clarifies the accounting for uncertainty in tax positions and prescribes a recognition threshold and measurement attribute for the financial statement regarding a tax position taken or expected to be taken in a tax return. Jumpstart has determined that there are no uncertain tax positions which qualify for either recognition or disclosure in the financial statements at August 31, 2015 and 2014. Jumpstart's information returns are subject to examination by the Federal and state jurisdictions and generally remain open for the most recent three years.

Advertising costs are expensed as incurred.

4. NOTE RECEIVABLE

The note receivable in the accompanying statements of financial position relates to an amount due from Jumpstart's Chief Executive Officer (CEO) as part of a relocation assistance agreement. The note bears no interest. Repayment was due upon the sale of the CEO's former residence. During fiscal year 2013, the note receivable was renegotiated. Beginning in 2013, after a cash payment of \$25,000, Jumpstart will forgive a portion of this loan each year as compensation. If the CEO's employment with Jumpstart terminates prior to August 31, 2018, the remaining balance of the note receivable is due. At August 31, 2015 and 2014, \$75,000 and \$90,000, respectively, was outstanding.
