## HABITAT FOR HUMANITY GREATER BOSTON, INC.

### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2010

#### **Note 1. Organization**

Habitat for Humanity Greater Boston, Inc. (HFHGB) is a charitable nonprofit Massachusetts corporation organized in December 1987. It is an affiliate of Habitat for Humanity International (HFHI), an organization with a grassroots structure which is dedicated to eliminating poverty housing from the earth and making poverty housing and homelessness socially and politically unacceptable in the world. HFHGB's mission is to help low-income families become homeowners in the Greater Boston area using the Habitat model of volunteer labor, donated materials and charitable contributions to construct housing. Each Habitat family helps build their home by providing at least 300 hours of "sweat equity." When the home is complete Habitat sells it to the family for an affordable price which is equal to or less than the final accumulated development cost and also provides the family with a no-interest mortgage loan. HFHGB is responsible for raising funds for all of its projects, its annual operating budget and for "tithing" 10% of its unrestricted revenues to HFHI projects overseas.

#### **Note 2. Summary of Significant Accounting Policies**

a. **Standards of Accounting and Reporting**

The Organization follows the standards of accounting and financial reporting as described in the American Institute of Certified Public Accountants' Audit and Accounting Guide for "Not-for-Profit Organizations".

b. **Financial Statement Presentation**

Financial statement presentation follows the requirements of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. A description of the three net asset categories follows:

Unrestricted - Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted - Net assets whose use by the Organization is subject to donor-imposed restrictions that can be fulfilled by actions of the Organization pursuant to those restrictions or that expire by the passage of time.

Permanently Restricted - Net assets subject to donor-imposed restrictions that they be maintained permanently by the Organization. No permanently restricted assets were received or held during 2010 and 2009 and accordingly, these financials do not reflect any activity related to this class of net assets for 2010 and 2009.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2010

(Continued)

**Note 2. Summary of Significant Accounting Policies** (Continued)

- c. Property and Equipment  
These assets are recorded at cost when purchased or, if donated, at their estimated fair market value at the date of the donation. All acquisitions of property and equipment in excess of \$2,500 and all expenditures for repairs and betterments that materially prolong the useful lives of assets are capitalized.
- d. Depreciation  
Provisions for depreciation are made in the accounts using the straight-line method. Building improvements and the buildings to be conveyed to qualified buyers are not depreciated. Other fixed assets are depreciated over 5 to 7 years.
- e. Allocation of Expenses  
Expenses are allocated among program and supporting services directly or on the basis of time records and utilization estimates made by the Organization's management. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.
- f. Cash and Cash Equivalents  
For purposes of the statements of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Escrows required by financing arrangements are not considered cash or cash equivalents for financial statement purposes.
- g. Use of Estimates  
The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- h. Housing Activities  
As discussed above, HFHGB is a charity engaged in providing homeownership opportunities to low-income families living or working in the Greater Boston area. Upon completion of construction, the home is conveyed to a selected family for an affordable price which is equal to or less than the final accumulated development cost. HFHGB takes back a note for the purchase price at 0% interest and the note is secured by a first mortgage on the home. HFHGB takes back a second note, secured by a second mortgage, for the difference between the sale price of the home and its fair market value as determined by an independent appraisal.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2010

(Continued)

**Note 2. Summary of Significant Accounting Policies** (Continued)

- i. Contributed Goods and Services  
Contributed services are recognized as contributions in accordance with SFAS No. 116 "Accounting for Contributions Received and Contributions Made" if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by HFHGB. In-kind contributed goods and services were recorded as follows:

Capitalized costs	
Construction goods and services	\$ 20,834
Professional fees (non-capital)	<u>271,780</u>
	<u>\$ 292,614</u>

In addition, HFHGB received other donated materials and supplies and the services of a substantial number of volunteers. These goods and services are not recognized as contributions in the financial statements since the criteria under SFAS No. 116 were not met. In the case of volunteers, whether construction related, administrative or Board Members, it is the policy of Habitat for Humanity Greater Boston, Inc. not to recognize the value of these services in the financial statements. While there are volunteers serving many needs of the Organization, it is not practical to quantify the value of these commercial services.

- j. Restricted and Unrestricted Support and Revenue  
Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.
- k. Promises to Give  
Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met and the promises become unconditional.
- l. Compensated Absences  
Vacation and sick pay are considered expenditures in the year paid. The Organization has not accrued compensated absences because the amount cannot be reasonably estimated.

**Note 2. Summary of Significant Accounting Policies** (Continued)

- m. Capitalization of Construction Costs  
Construction expenses, which represent a significant portion of the Organization's operating budget, are capitalized pursuant to generally accepted accounting principles for financial statement purposes. Consequently, construction expenses are not shown as program expenses until conveyed.

**Note 3. Tax Status**

Habitat for Humanity Greater Boston, Inc. is exempt from federal income tax under Section 501(c) (3) of the Internal Revenue Code under a group exemption obtained by Habitat for Humanity International, Inc. (Atlanta, Georgia). In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b) (1) (a) and has been classified as an organization that is not a private foundation under Section 509(a) (1).

Unrelated business income, of which the Organization had none for the year ending June 30, 2010, would be subject to Federal and State taxes. Consequently, the accompanying financial statements do not reflect any provision for income taxes.

**Note 4. Concentration of Credit Risk**
