The Arc of Bristol County-
serving the needs of people
with disabilities and their
families for over 50 years.

Did you know that 87 cents of every dollar you contribute to The Arc goes directly to the services we provide? We keep our administrative costs very low at 13% as we fulfill our mission. When you consider your charitable giving, please remember to support The Arc of Bristol County. Every gift, big or small, is greatly appreciated and goes to support our mission. If you have any questions about a gift, please contact our Director of Development at (508) 226-1445.

Are you a member of The Arc?

If not, please use our safe online form at www.arcnbc.org to become a member today.

The Arc[™]
Bristol County

Achieve with us.

The Arc of Bristol County's Mission:

To foster community partnerships, promote individual advocacy and create a pathway for growth and innovation by offering exceptional support and services to people with all abilities through the attraction, development and retention of superior talent who passionately demonstrate best practices.

Services we provide:

Acquired Brain Injury Program helps move individuals living in nursing or rehab facilities out into the community. The acquired brain injury must have happened after the age of 22.

Adult Foster Care allows individuals to stay at home with their families. Participants must have a medical need to be in the program and therefore it is funded through MassHealth. The program has participants from Fall River, Franklin, Raynham, Seekonk, Dartmouth, Attleboro and Taunton.

Community Directions serves medically fragile individuals with developmental disabilities who are patients of the New Bedford Rehabilitation Hospital. Offering participants opportunities for individualized services and recreation, Community Directions serves as a model for rehab care for individuals.

Day Habilitation Services supports people with developmental disabilities to learn new skills in a community based setting. The supports and **services at The Arc's Day Habilitation in Middleboro** are designed to meet the changing needs and interests of each individual joining the program.

Educational Advocacy: The Arc of Greater Fall River and The Arc of Greater New Bedford reached out to area schools and provided advocacy services, assisting with supports and resources needed for the children and teens to succeed.

Family Supports assists families of individuals with disabilities to stay together and to become welcomed, contributing members of their own communities. Family Supports brings together families, professionals and local resources in a working partnership to meet challenges through **one's lifetime**. Project Kids Connect provides inclusive social and educational activities for children and teens. Kids on the Block, funded through United Way of Greater Fall River, is an educational puppet presentation to teach students about intellectual, developmental and physical challenges in a fun and interactive manner.

Guardianship and Representative Payee Corporate Guardianship allows The Arc to be appointed by the Probate Court to assume responsibility for making personal, medical and/or financial decisions on behalf of individuals with disabilities. The Arc can serve as the permanent/limited guardian of the person as well as Conservator or Trustee, and can also be Rogers Monitor. As a Representative Payee, The Arc assists individuals in developing a budget and managing their Social Security funds.

Individual and Residential Support Services provide supports to individuals who live independently throughout the greater Taunton/Attleboro region.

proAbility provides a variety of life enrichment, educational and recreational opportunities in Rhode Island including: Adult Services, Individualized Day and Employment, Residential, Family Supports, and **Shared Living Arrangements**. **Children's Services** include Home Based Therapeutic Services (HBTS) and Personal Assistance & Support Services (PASS).

Project REC-Connect: Our national award-winning program provides a variety of community experiences for individuals to build their social skills, create wellness habits and develop **meaningful relationships**. **This program's mission is to provide quality recreation and life enrichment activities to increase an individual's sense of confidence, self-esteem, health and accomplishment.**

Resource Centers A day support option that combines small group learning with community connections, The Arc Resource Centers offer life-enriching activities for individuals in Taunton, Fall River and New Bedford.

Trust Management The Arc works closely with individuals and family members or other interested parties to provide a comprehensive personalized plan to develop options that maximize wealth preservation, maintain funding and eligibility requirements for government programs and public benefits and prepare for long-term care. The Arc assists with wills, special or supplemental needs trusts management, pooled trusts referral, health care proxies, powers of attorney, guardianships, representative payee and Roger's monitor.
