Independent Auditors' Report

To the Board of Directors of:
Asperger's Association of New England, Inc.

We have audited the accompanying financial statements of Asperger's Association of New England, Inc. (a nonprofit organization), (the Agency), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Agency as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Agency's 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 14, 2013. The prior year summarized comparative information is not intended to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 12, 2014, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

November 12, 2014

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

To the Board of Directors of:
Asperger's Association of New England, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Asperger's Association of New England, Inc. (a nonprofit organization), (the Agency), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 12, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(1) Summary of Significant Accounting Policies

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The significant accounting policies followed by Asperger's Association of New England, Inc. (a nonprofit organization), (the Agency) are described below to enhance the usefulness of the financial statements to the reader.

(a) *Nature of Activities*

Asperger's Association of New England, Inc. (subsequently Asperger/Autism Network) is committed to improving the quality of life for people with Asperger's Syndrome (AS) throughout New England. The Agency's mission is to foster awareness, respect, assistance, and support of individuals with AS and their families. The Agency serves adults, teenagers, families of children with AS, educators and other professionals. The majority of the Agency's services are provided to New England residents.

(b) *Basis of Presentation*

The statement of activities reports all changes in net assets, including changes in unrestricted net assets from operating activities. Operating revenues consist of those monies received and other contributions attributable to the Agency's ongoing efforts.

The financial statements are presented in a format prescribed by the Commonwealth of Massachusetts, Operational Services Division.

(c) *Revenue Recognition*

The Agency earns revenue as follows:

Special Events - Special events revenue is primarily derived from contributions collected and fees charged for admission at various sponsored events. Fundraising contributions are recognized as income when received while ticket fee revenue is recognized once the event takes place. The majority of special event revenue is derived from the Laugh Out Loud Gala. Revenue derived from this event for the year ended June 30, 2014 totaled \$472,122. The net result of the event after the direct cost of benefits to donors of \$274,571 was \$197,551.

Contributions - Contributions are recorded upon receipt or pledge as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

Coaching, Consultation and Training Services - Coaching, consultation and training services revenue is earned and recognized by the Agency when units or services are provided.

Conference Fees, Workshops and Seminars - The Agency recognizes conference fees, workshops and seminars revenue when the various Agency sponsored conferences take place. Fees received after the event are recognized as revenue when received.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(1) Summary of Significant Accounting Policies - continued

(c) Revenue Recognition - continued

Grants - Grants which are exchange transactions are recorded as costs related to the services are incurred. Grants which are contributions are recorded in the same manner as contributions.

Membership Dues - Membership revenue is earned and recognized by the Agency over the membership term.

Newsletter - The Agency derives advertising income from publishing newsletters. Revenue is recognized when the newsletter is distributed.

Deferred revenue represents membership dues and conference fees received prior to year-end for the following fiscal period and coaching deposits that can be applied towards the client's last month's coaching fees. These amounts are recognized as income during subsequent fiscal periods.

Substantially all of the Agency's revenue is derived from its activities in Massachusetts. During the year ended June 30, 2014, the Agency derived approximately 47% of its total revenue from foundations and individual donors, 20% from private payer clients, 18% from governmental agencies and 15% from other sources. All revenue is recorded at the estimated net realizable amounts.

(d) Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. As of June 30, 2014, management has determined the allowance to be immaterial.

The Agency does not have a policy to accrue interest on receivables. The Agency has no policies requiring collateral or other security to secure the accounts receivable. As of June 30, 2014, 14% of the Agency's receivables are due from individual coaching clients and the remaining 86% is due from government agencies, schools, mental health organizations, and other sources.

(e) Promises to Give

Unconditional promises to give are recognized as revenue and as assets, net of allowances, in the period in which the promises are made. Unconditional promises to give are recorded, in the year received, at the present value of estimated future cash flows using a risk-adjusted discount rate. Amortization of the discount is included in contribution revenue. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and when the promises become unconditional. As of June 30, 2014 there were no unconditional promises to give.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(1) Summary of Significant Accounting Policies - continued

(f) *Standards of Accounting and Reporting*

The Agency's net assets (excess of its assets over liabilities) and its revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

The statement of financial position presents two classes of net assets (temporarily restricted and unrestricted) and the statement of activities displays the change in each class of net assets. The classes of net assets applicable to the Agency are presented as follows:

Unrestricted Net Assets - Net assets that are not subject to donor imposed restrictions. Unrestricted net assets consist of assets and contributions available for the support of operations. Unrestricted net assets may be designated for specific purposes by management or the Board of Directors. Gains and losses on investments are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or law.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Agency and/or passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Restricted contributions and investment income whose restrictions are met in the same reporting period are recorded as temporarily restricted income and as net assets released from restrictions.

(g) *Operating Fund and Plant Fund*

To ensure observance of limitations and restrictions placed on use of resources available to the Agency, the accounts of the Agency are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes. Separate accounts are maintained for each fund. Accordingly, all financial transactions have been recorded and reported by fund group.

The assets, liabilities and fund balances of the Agency are reported in two self-balancing fund groups as follows:

Current Operations Fund - Includes unrestricted and restricted resources. The unrestricted fund represents resources currently available for use, while the restricted fund represents funds available for use under certain conditions.

Plant Fund - Represents resources both unrestricted and restricted for acquiring or replacing land, buildings or equipment and the accumulated net investment in property and equipment.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(1) Summary of Significant Accounting Policies - continued

(h) Income Taxes

The Agency qualifies as an organization formed for charitable purposes under Section 501(c)(3) of the Internal Revenue Code (IRC) and therefore is not subject to income tax. The Agency is not a private foundation under Section 509(a)(1). Certain unrelated business income, as defined in the IRC, is subject to federal income tax. For the year ended June 30, 2014, there was no liability for tax on unrelated business income.

GAAP prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. For the year ended June 30, 2014, the Agency has determined that it has not taken any tax positions which would result in an uncertainty requiring recognition in the accompanying financial statements. The Agency recognizes interest and penalties, if any, related to unrecognized tax benefits in interest expense. There were no interest or penalties for the year ended June 30, 2014.

Generally, the Agency's information/tax returns remain open for possible federal income tax examination for three years after the filing date. The Agency is not currently under examination by any taxing jurisdiction.

(i) Fundraising

Fundraising expense relates to the activities of raising general and specific contributions to the Agency and promoting special events. Fundraising expenses as a percentage of total contribution, special events and grants was 22% for the year ended June 30, 2014. The ratio of expenses to amounts raised is computed using actual expenses and related revenue, net of direct cost of benefit to donors, on an accrual basis.

(j) Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Directly identifiable expenses are charged to programs and supporting services. Expenses related to more than one function are allocated to programs and supporting services. Administration expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Agency. Payroll and associated costs are allocated to functions based upon time studies and occupancy costs allocations are based upon square footage.

(k) Advertising Costs

The Agency expenses advertising costs when they are incurred. Advertising expense was immaterial for the year ended June 30, 2014.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(1) Summary of Significant Accounting Policies - continued

(l) Use of Estimates

In preparing the Agency's financial statements in conformity with GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(m) Cash and Cash Equivalents

The Agency considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

The Agency maintains its cash balances at several financial institutions located in Massachusetts. The cash balances are insured by the Federal Deposit Insurance Corporation. At times these balances may exceed the federal insurance limits; however, the Agency has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these cash balances at June 30, 2014. The Agency also has an interest bearing cash deposit balance which is subject to Securities Investor Protection Corporation (SIPC) regulations. The Agency did not maintain interest bearing cash balances in excess of SIPC insured limits as of June 30, 2014.

(n) Investments

The Agency carries investments in marketable securities with readily determinable values at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities. Interest income from cash and cash equivalents is included in investment income on the statement of activities.

The Agency occasionally receives donations in the form of securities. It is the policy of the Agency to immediately sell these donated securities. Donated securities are recorded at market value on the date of donation.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(1) Summary of Significant Accounting Policies - continued

(o) Fair Value Measurements

GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Additionally, the inputs used to measure fair value are prioritized based on a three-level hierarchy. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels used to measure fair value are as follows:

Level 1: Quoted prices for identical instruments traded in active markets.

Level 2: Observable inputs other than quoted prices included in Level 1. Assets and liabilities included in this level are valued using quoted prices for similar assets and liabilities in active markets or other inputs that are observable or can be corroborated by observable market data.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

Recurring Measurements

GAAP requires that certain assets and liabilities be recorded at fair value on a recurring basis. The Agency had no assets and liabilities that were recognized or disclosed at fair value on a recurring basis under the above fair value hierarchy as of June 30, 2014. The Agency's policy is to recognize transfers in and out of levels as of the actual date of the event or change in circumstances that caused the transfer. There were no transfers between levels during the year ended June 30, 2014.

Nonrecurring Measurements

In addition to assets and liabilities that are recorded at fair value on a recurring basis, the Agency records assets and liabilities at fair value on a nonrecurring basis as required by GAAP. The Agency had no assets and liabilities measured at fair value on a nonrecurring basis as of June 30, 2014.

(p) Land, Building and Equipment

Furniture and equipment are recorded at cost or if donated, fair value on the date of receipt. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives. Improvements, including planned major maintenance activities are capitalized, while expenditures for routine maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of activities.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(1) Summary of Significant Accounting Policies - continued

(p) Land, Building and Equipment - continued

The Agency computes depreciation using the straight-line method over the following estimated lives:

Furniture and equipment	3-5 years
-------------------------	-----------

Depreciation amounted to \$2,659 for the year ended June 30, 2014.

(q) Contributed Services and Gifts in Kind

Donated materials are reported as contributions in the financial statements at their estimated fair values at the time of receipt. Donated services are similarly reported when services are performed which would otherwise have been purchased or performed by Agency personnel.

Many individuals volunteer their time and perform a variety of tasks that assist the Agency with specific educational programs, administrative, clerical, and maintenance functions as well as various committee assignments. The Agency would not have paid for these volunteered services if they had not been donated and therefore, they have not been reflected in the financial statements.

(r) Summarized Financial Information for 2013

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Also, there is no presentation of statement of cash flows or statement of functional expenses for the year ended June 30, 2013. In addition, the financial statements do not include full financial statement disclosures for the prior year. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Agency's financial statements for the year ended June 30, 2013, from which the summarized information is derived.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(2) Line of Credit

The Agency has available a demand line of credit with Village Bank (a Massachusetts bank) of \$50,000 to be drawn upon as needed, with interest at 2% above the prime rate, or 5.25% as of June 30, 2014. The line is secured by the Agency's general business assets. As of June 30, 2014, borrowings outstanding amounted to zero.

Interest expense on all debt amounted to zero for year ended June 30, 2014.

(3) Operating Lease Commitments

The Agency leases office space and equipment under non-cancelable, operating lease agreements with various expiration dates through fiscal year 2018. The Agency is also liable for certain real estate tax increases and operating cost adjustments under the office lease terms. The minimum annual operating non-cancelable lease commitments on property for the Agency are as follows:

	<u>Facilities</u>	<u>Office Equipment</u>	<u>Total</u>
2015	\$ 87,750	\$ 5,664	\$ 93,414
2016	67,500	5,013	72,513
2017	-	3,060	3,060
2018	<u>-</u>	<u>1,020</u>	<u>1,020</u>
	\$ <u>155,250</u>	\$ <u>14,757</u>	\$ <u>170,007</u>

Rent expense for the year ended June 30, 2014 was \$94,993 and is included with occupancy on the statement of functional expenses.

(4) Employee Benefits

The Agency participates in a SIMPLE IRA retirement plan that allows employees to contribute to the plan on a pre-tax basis. Eligible employees, as defined in the plan, participate in this plan. The Agency matches up to 3% of employee contributions. Retirement plan expense was \$9,488 for the year ended June 30, 2014 and is included with employee compensation and related expenses on the statement of functional expenses.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(5) Involuntary Conversion of Non-Monetary Assets to Monetary Assets

Under GAAP, Accounting for Involuntary Conversions of Nonmonetary Assets to Monetary Assets, the Agency recognizes a gain or loss for the difference between the monetary assets received and the carrying cost of the nonmonetary assets involuntarily converted, even though the monetary assets are reinvested to replace the nonmonetary asset.

During 2014, several fully depreciated servers were damaged due to a power surge. The monetary assets received as insurance proceeds resulted in the Agency recognizing a gain on the involuntary conversion of nonmonetary assets to monetary assets of \$15,828 and is included in other increases and decreases on the statement of activities for the year ended June 30, 2014.

(6) Temporarily Restricted Net Assets

Temporarily restricted net assets consist of resources available to meet future obligations, but only in compliance with the restrictions specified by donors. Donor restrictions limit the use of the resources within the particular purposes listed below.

<u>Nature of Restriction</u>	<u>Amount</u>
Director of program service	\$ 30,000
Certain clinics, initiatives and contingency funds	11,044
Adult conference	10,000
Activity groups for Boston based clients	<u>2,526</u>
Total	\$ <u>53,570</u>

(7) Not-for-Profit Provider Surplus Revenue Retention

The Agency has no liability to the Commonwealth of Massachusetts under the Division of Purchased Services "Surplus Revenue Retention Policy" pursuant to 808 CMR 1.19(3). In accordance with this policy, the Agency is entitled to retain an annual net surplus of up to five percent (5%) per year of the total revenue attributable to Commonwealth purchasing agencies. The cumulative amount retained may not exceed 20% of the prior year's gross revenues from Commonwealth of Massachusetts purchasing agencies, and must be segregated as surplus revenue retained net asset.

Such surplus may be retained as unrestricted net assets to further its charitable purposes, provided that no portion of the surplus be used for any non-reimbursable cost set forth in 808 CMR 1.15.

The following is an analysis of the Agency's revenue retention net asset pool included in unrestricted net assets:

Cumulative deficit, June 30, 2013	\$ -
2014 deficit	(4,414) -1.64 %
Cumulative deficit June 30, 2014	\$ (4,414)

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Notes to Financial Statements

June 30, 2014

(8) Subsequent Events

The Agency has performed an evaluation of subsequent events through November 12, 2014, which is the date the Agency's financial statements were available to be issued. No material subsequent events have occurred since June 30, 2014 that required recognition or disclosure in these financial statements.

ASPERGER'S ASSOCIATION OF NEW ENGLAND, INC.

Schedule of Findings and Responses

June 30, 2014

(1) Financial Statement Findings

No significant deficiencies or material weaknesses reported.

(2) Status of Prior Year Findings

No significant deficiencies or material weaknesses reported.

**Supplemental Information Required
by the Operational Services Division**

**Independent Auditors' Report on Supplemental
Information Required by the Operational Services Division**

To the Board of Directors of:
Asperger's Association of New England, Inc.

We have audited the financial statements of Asperger's Association of New England, Inc. (a nonprofit organization), (the Agency), as of and for the year ended June 30, 2014, and have issued our report thereon dated November 12, 2014, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The Supplemental Information Required by the Operational Services Division including the Uniform Financial Report (UFR) Cover Page, Schedule A - Organization Supplemental Information Schedule, Schedule B - Program Supplemental Information Schedule, Scheduled C - UFR Addendum and the Acknowledgement of the Board of Directors, which is the responsibility of management, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we do not express an opinion or provide any assurance on it.

Acknowledgement of the Board of Directors

We, the Board of Directors of Asperger's Association of New England, Inc. met on November 11, 2014 and have voted to recognize and accept the representations of management and the expression of opinions by Kevin P. Martin & Associates, P.C. as embodied in the Basic Financial Statements, Supplementary and Subsidiary Financial Statements and Schedules and Independent Auditor's Reports contained in the Uniform Financial Statements and Independent Auditors' Report (UFR) for the year ended June 30, 2014.

In addition, we, the Board of Directors of Asperger's Association of New England, Inc., hereby certify under penalty of perjury that to the best of the members of the Board of Directors' knowledge, all material related party relationships and transactions, as defined by 808 CMR 1.02 and generally accepted government auditing standards, and other representations made by management are accurate and have been correctly and completely disclosed as required in the notes to the financial statements and schedules of the UFR for the year ended June 30, 2014.

Signatory for Board of Directors:

Treasurer
