INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
InnerCity Weightlifting, Inc.
Boston, Massachusetts

We have audited the accompanying financial statements of InnerCity Weightlifting, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of InnerCity Weightlifting, Inc. as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1. ORGANIZATION

InnerCity Weightlifting, Inc. (the “Organization”) is a not-for-profit organization. The mission of the Organization is to reduce violence and promote professional, personal, and academic achievement among urban youth. The Organization serves young people on a direct path to gang involvement, former and active gang members, and young victims of domestic abuse through the sport of Olympic lifting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Organization have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Financial Statement Presentation – The Organization follows the Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”) Subtopic *Presentation of Financial Statements* for not-for-profit entities. The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. A description of the three net assets classes are as follows:

- Unrestricted net assets represent the portion of net assets of the Organization that is neither permanently restricted nor temporarily restricted by donor-imposed stipulations. The Organization may designate portions of its unrestricted net assets as board designated for various purposes.
- Temporarily restricted net assets represent contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations.
- Permanently restricted net assets represent contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Organization. As of December 31, 2013 and 2012, the Organization had no permanently restricted net assets.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents – Cash and cash equivalents include cash on hand, demand deposits, and highly liquid investments with original maturities of three months or less. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash and cash equivalents.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES...continued

Grants Receivable – Grants receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of probable uncollectible amounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to grants receivable. No grants receivable were written off during the years ended December 31, 2013 and 2012.

Property and Equipment – Property and equipment are recorded at cost or, if donated, at the fair value on the date of the contribution. Property and equipment that costs less than \$5,000 is expensed to operations as incurred. Capitalized property and equipment are depreciated using the straight-line method. Equipment is depreciated over five years. Leasehold improvements are depreciated over the length of the lease.

Expenditures for major renewals and improvements are capitalized while expenditures for maintenance are expensed as incurred.

Revenue Recognition – Revenue is reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

Contributions – Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional, that is, at the time when the conditions on which they depend are substantially met. Contributions of assets other than cash are reported at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risk involved. Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any, on the contributions.

Contributions received with donor-imposed restrictions that are fulfilled in the same year as received are reported as unrestricted support. Contributions of cash or other assets to be used to acquire property and equipment in accordance with donor stipulations are reported as revenues of the temporarily restricted net asset category; the restrictions are considered to be released at the time of acquisition of such long-lived assets.

In-Kind Contributions – Contributions of property and equipment without donor stipulations concerning the use of such long-lived assets are reported at their estimated fair value at the date of receipt as revenues of the unrestricted net asset category.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES...continued

In-Kind Contributions...continued – Contributions of services that create or enhance non-financial assets or that require specialized skills, which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. Donated investments are also reported at fair value at the date of receipt, which is then treated as the Organization’s cost basis.

Advertising Costs – The organization expenses advertising costs as incurred.

Tax Status – The Organization is a tax-exempt organization as described in Section 501(c)(3) of the Internal Revenue Code (the “Code”) and is generally exempt from income taxes pursuant to Section 501(a) of the Code. The Organization is subject to federal and state income taxes on unrelated business income, if any.

The Organization accounts for uncertain tax positions in accordance with FASB ASC Topic *Income Taxes*. The Topic prescribes a recognition threshold and measurement process for financial statement recognition of uncertain tax positions taken or expected to be taken in a tax return. The Topic also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. At December 31, 2013, management believes that the Organization has no material uncertain tax positions.

The Organization files informational tax returns in the U.S. federal and Massachusetts state jurisdictions. The Organization is no longer subject to U.S. federal and state examinations by tax authorities for years before 2010.

Subsequent Events – The Organization has evaluated all events subsequent to the statement of financial position date of December 31, 2013, through the date which the financial statements were available to be issued, June 25, 2014, and has determined that there are no subsequent events that require disclosure under FASB ASC Topic *Subsequent Events*.
