To The Board of Directors
Lawyers Clearinghouse on Affordable Housing and Homelessness, Inc.
16 Beacon Street
Boston, Massachusetts 02108

We have reviewed the accompanying statement of financial position of Lawyers Clearinghouse on Affordable Housing and Homelessness, Inc. as of August 31, 2013, and the related statements of activities and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2013

1. Summary of Significant Accounting Policies:

Organization - Lawyers Clearinghouse on Affordable Housing and Homelessness, Inc. (the Clearinghouse) was organized to promote the development and the maintenance and expansion of affordable housing, transitional housing and emergency shelters in Massachusetts.

Income Taxes - The Clearinghouse is a not-for-profit corporation under the laws of the Commonwealth of Massachusetts and is exempt from both federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and accordingly does not record a provision for income taxes on its related earnings.. In addition, the Clearinghouse qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

The Clearinghouse regularly reviews and evaluates its tax positions taken in its previous financial statements, with regard to issues affecting its tax exempt status, unrelated business income, and related matters. The Clearinghouse is subject to various federal and state tax examinations for the years ended August 31, 2010 through 2013. Penalties and interest, if any, assessed by tax authorities will be included in operating expenses. It believes that in the event of an examination by taxing authorities, its positions would prevail based upon the technical merit of such positions. Therefore, the Clearinghouse has concluded that no tax benefits or liabilities are required to be recognized.

Basis of Accounting - The financial statements of the Clearinghouse are prepared on the accrual basis.

Basis of Presentation - The net assets of the Clearinghouse are reported in each of the following three classes when applicable: (a) unrestricted net assets, (b) temporarily restricted net assets and (c) permanently restricted net assets. Net assets of the two restricted classes are created only by donor-imposed restrictions on their use. All other net assets are legally unrestricted and are reported as part of the unrestricted class.

Capitalization of Expenditures - The cost of computer equipment is capitalized. Expenditures for maintenance and repairs are expensed against income as incurred.

Revenue Recognition - Grant income is recognized based upon the terms and conditions as set forth by the grantor or ratably during the performance period. Fee revenue is recognized as eligible services are rendered. Contributions are recorded when pledged.

Cash Flows - For purposes of the statement of cash flows, cash includes cash in the checking account.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

AUGUST 31, 2013

Accounts Receivable - Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written-off through a charge to the valuation allowance and a credit to receivables. There was no need for a valuation allowance for the year ended August 31, 2013.

Subsequent Events - The Clearinghouse has evaluated events that have occurred subsequent to August 31, 2013, through February 12, 2014, the date these financial statements were available to be issued, and no material events requiring recognition or disclosure.
